# Furniture pack

Our unique furniture packs have been exclusively designed for The Mix in a collaboration between InHouse Design Studio, Shereen Fihrer and Coricraft. Residents will have the option of choosing between either the Ivory or Quartz packages which have both been designed to reflect our South African heritage and to enhance the functionality of your space.

InHouse Design Studio is an award-winning interior and architectural design studio with an extensive portfolio that spans all sectors from commercial to hospitality.

Shereen Fihrer, is the lead interior designer for Head Interiors, established in the early 80's. Delivering high-end, luxury residential interiors to clients both locally and abroad.

Coricraft are known for selling high-quality, lifetime pieces that are comfortable, well priced and timeless in design and locally made.
